**TAX COURT
ORGANIZED****First Cases Will
Be Heard on
Monday.****TWO INCREASES
OF A MILLION****Brewer & Co. and Ewa Plantation
Suffer at Hands of
Assessor.**

The Court of Tax Appeals for Honolulu District met yesterday in Assessor Pratt's office and formally organized by the election of E. C. Winston as president. There were present at the first session A. A. Wilder, who appears for the assessor, and the following appellants: W. R. Castle, Judge Stanley, Judge Perry, A. F. Judd, Judge Davidson, F. M. Hatch and others.

After the organization had been perfected President Winston called the calendar and the cases of W. R. Castle and Mau Sug Wai Co. were set for hearing on Monday. The cases of the Oahu Railway, Dowsett Estate, Kaneohe Ranch Co. and other ranch properties were set for Thursday. In these cases there is an increase by the assessor of three dollars per head on all cattle, and the appeal will be presented as a whole. The cases of Judge Perry and other members of the Perry family will also be presented Monday. These involve the assessment on Hotel street property in which all are equally interested. The cases of Brewer & Co., Castle & Cooke and other commission firms in which there has been added a tax on good will were put at the foot of the calendar. In the case of Brewer & Co., there was an increase from \$107,028 to \$1,121,137 which is named as personal property, being the valuation of the stock in the market, which is assessed at over a million dollars. There has been a raise on Castle & Cooke stock on the same proposition to the amount of over \$400,000.

The Ewa Plantation suffered the largest increase in valuation; the return made by Manager Renton was \$4,504,300 and Pratt raised this to \$5,600,000.

President Winston announced that the court would have but sixteen working days to consider nearly a hundred appeals and therefore the cases must be presented in a hurry. Adjournment was taken until 1:30 o'clock Monday afternoon.

Below is given a list of the returns and increased assessments in some of the larger cases on appeal:

WIRE FENCE 700 MILES LONG.**Will Separate Montana and Canada
and Prevent Cattle Smuggling.**

ST. PAUL, July 24.—A Helena, Mont., special to The Dispatch says that it is proposed to build a wire fence 700 miles long on the boundary line between Montana and Canada. The immediate cause of this huge undertaking is that several weeks ago a large number of cattle which had strayed into Canada from this State were seized by the Dominion officials on the ground that they had been smuggled. The fence will probably be built jointly by the Canadian and American governments, and will cost several hundred thousand dollars.

**FIGHT IN A
CIGAR STORE****Nigel Jackson and Lum Kwai
Scatter Cigars and
Blood.**

Nigel Jackson, a special police officer, engaged in a fist fight with Lum Kwai, brother of the proprietor of the Honolulu Tobacco Company, in the latter's store, corner of Hotel and Fort streets. Jackson is nursing a cut on his cheek which he alleges was done with a sharp instrument used for opening cigar boxes, while the Chinese has his left eye closed up as a result of contact with Jackson's fist. As Jackson is reputed a feather-weight prizefighter the blow drew blood from the Chinaman and his eye will remain closed up for several days. Jackson swore out a warrant for assault and battery on Lum Kwai and the latter was arrested and later released on giving bonds in the sum of \$50. A counter warrant will also be issued against Jackson.

Jackson with several others entered the cigar store and took charge of the long lounging settee, and is alleged to have made certain remarks about "doing up" any Chinaman in town. Some act incensed the clerk. A struggle was soon on between the two and before it ended half the stock of cigars was strewn about the place as if a cyclone had swept through. During the melee Jackson was cut and the Chinese suffered a right hander on his optic. The case will come up in the Police Court this morning and a lively time is anticipated.
